

Prof Jingsheng ZHAO

Professor ZHAO Jingsheng, director and doctoral supervisor of Department of Basic Theory of Acupuncture in the Institute of Acupuncture and Moxibustion of China Academy of Chinese Medical Sciences.

Professor ZHAO has long been doing research on ancient acupuncture theories, especially the classical one. An academic monograph named *Elucidation for Classical Theory of the Acumoxology* was composed and two monographs were edited chiefly by Professor ZHAO, which are *Textual Research and Criticism of Core Concepts and Terminology of Acupuncture and Moxibustion* and *Acupuncture and Moxibustion Dictionary Terminology Basic Concepts*. Additionally, more than ten textbooks were compiled by him. As the first or corresponding author, Professor ZHAO has published more than a hundred papers for all these years.

Professor ZHAO is now holding a concurrent post as the chairman of the specialized committee of acupuncture literature in China Association of Acupuncture-Moxibustion. He serves as an editorial board member for three academic journals.
